Are your home and family protected?

You may have noticed we have recently upgraded one of your neighbour's alarm systems to the latest intruder alarm technology. With crime rates on the rise in this area it is more important than ever to protect your home and family. We would suggest at the very least for you to consider updating your external bell to demonstrate to potential intruders that your property is well protected.

We supply and install:

- 'Bells only' alarms
- Alarm monitoring systems
- Both wired and wireless alarms

Contact us today for a no obligation competitive quote to either install or upgrade your current system to the latest intruder alarm technology available.
